As new owners of Miami Dance Magic, we pledge to continue, refine and extend the excellence that has been established in making this event a favorite for so many. In 2010, we will make some changes as we listen to many of you who have had ideas and suggestions to make MDM a greater value for you!

Although the event officially starts Friday, July 16th, we have a full week of activities for those that want to extend their dance weekend. Skippy Blair's intensive will take place starting Monday, July 12th. Although Skippy will not be able to travel to us this year, we have procured some incredible talent to cover her material this year.

People from around the world enjoy the Intensives and Miami Dance Magic takes up a notch with the 3rd rendition of the Club Crawl on Wednesday, July 14th. The Club Crawl is an opportunity for you to visit some of South Beach's hottest nightspots at a bargain price. Thursday's early bird dance is now part of your weekend ticket. We also have a special workshop by our head judge, Angel Figueroa. All proceeds to benefit the Florida Youth Swing Scholarship fund. So come out and contribute while getting a great lesson from one of the best!

Miami Dance Magic still features 2 ballrooms for dancing the weekend away. This year, we will be holding the hustle activities in a separate room to allow a little more breathing space in a hectic schedule. We have workshops aplenty, contests of all kinds and dancing till your feet fall off. Truly, we want this to be a weekend that you go home and just dream about.

Miami Dance Magic is located quite close to many features and attractions that make Miami an international tourist mecca. Beaches, shopping, cafes and art-deco ambiance of South Beach, Bayside Marketplace and Beautiful weather are just a few of the advantages of visiting South Florida.

We look forward to making Miami Dance Magic
 A "magical " dance event for all of you!

Sincerely,
 Bruce and Beth Perrotta
